1. The coun-try that loves you to you be-longs.

Bring back the cap-tives you re-vive to life.

You par-don their sins, you blot out their wrongs.

Take from your peo-ple riv-al-ry that's rife.

Li-on of Ju-dah, mas-ter, and re-nounce

a-gainst us your wrath and de-cide to pounce!

Will you re-veal to serv-ants on-ly rage

you would re-peat for-ev-er on the stage?

3. Your fea-tures of Love and Re-spect now meet,
 Pledge and A-gree-ment in your warm em-brace,
 with Du-ties that reach on up to your feet,
 Joy learn-ing low-er, down from ou-ter space.
 These will re-new our rea-pers on the farm
 while you your-self give with your own right arm
 a rich a-bun-dance that will nev-er cease,
 there in your foot-steps, Right-eous-ness and Peace.
