Psalm 80 Chris Nelson 2017

Intonation

1, Shep-herd of Is-ra-el, our lead-er,

on past the es-sence of the ce-dar,

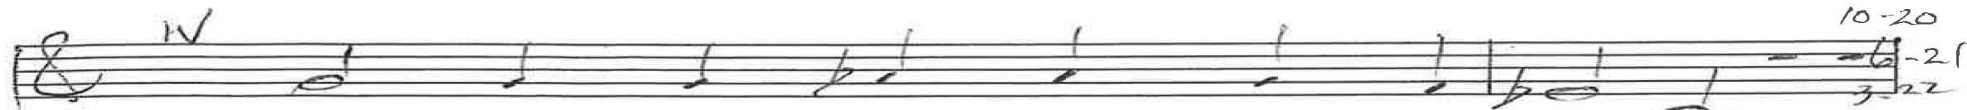

with cher-u-bim forth from the throne

on Jo-seph your ra-diance has shone,

with ease for the ram and the ewe,

Eph-ra-im and Ma-nas-seh, too.

2. Lord, give your folk some con-firm-a-tion!

Nur-ture our hopes for re-stor-a-tion!

You smoth-ered our prayers at the source,

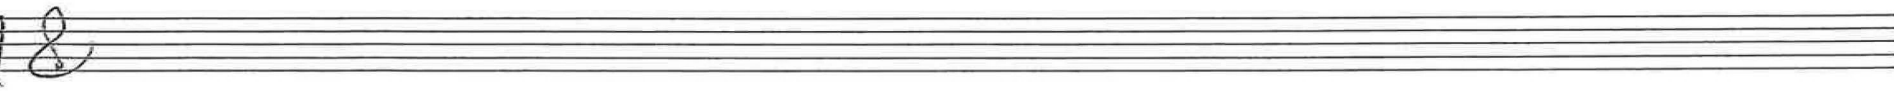

You fed us on bread of re-morse,

our tears do we drink here and now,

neigh-bors glad for our necks to bow.

3, There was a vine which you up-root-ed.

You, with em-ploy-ees you re-cruit-ed

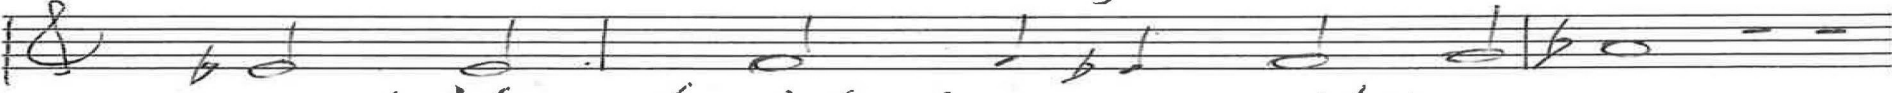

had cleared a smooth space, where it grew,

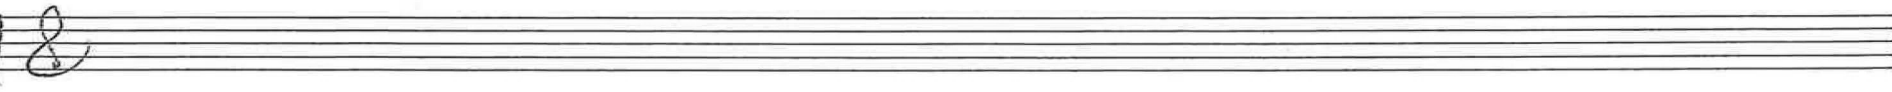

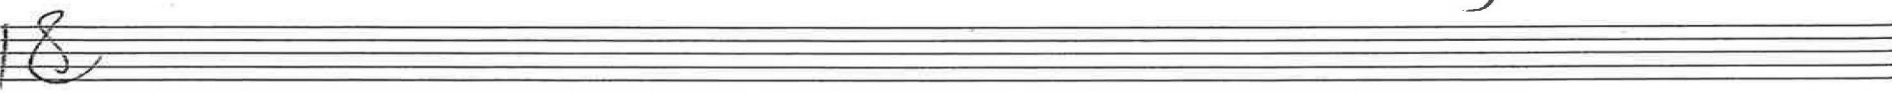

a ter-race up high with a view,

its branch-es ob-scur-ing all trees,

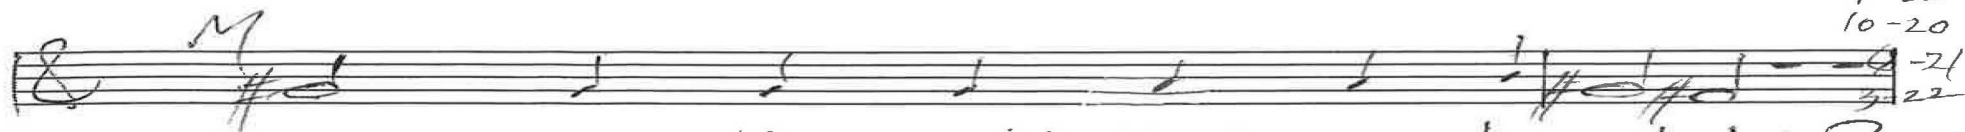

ten-drils stretched o-ver roll-ing seas.

4. Where was the yield that you ex-pect-ed?

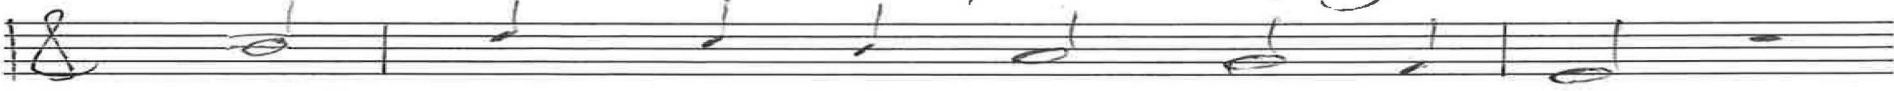

Why have its fenc-es been ne-glect-ed?

Now ev-ery-one steals as they pass

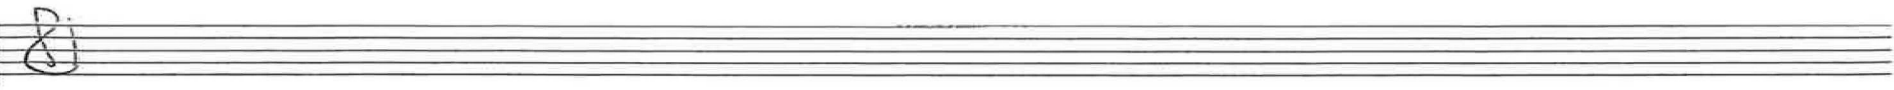

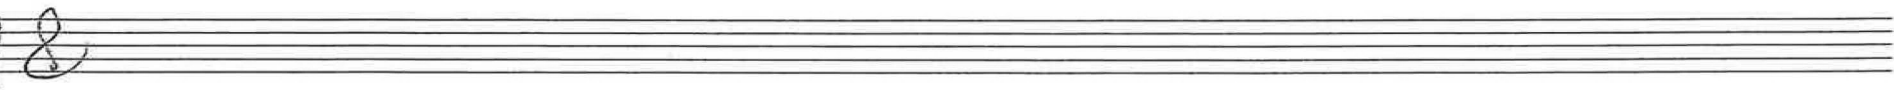

and an-i-mals stomp on the grass.

Look down at this vine and en-roll

earth be-low in your firm con-trol.

5. Foes flood our land til we are drown-ing,

those you'd re-buke if you were frown-ing.

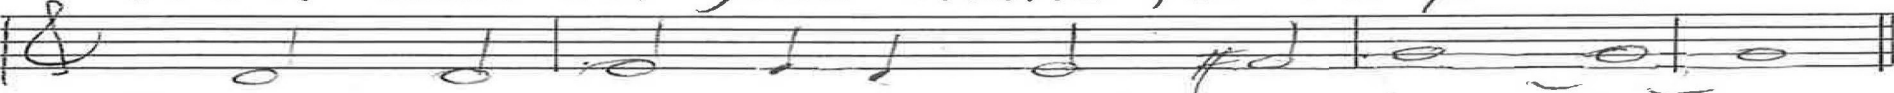

Give strength to, that throng at your side,

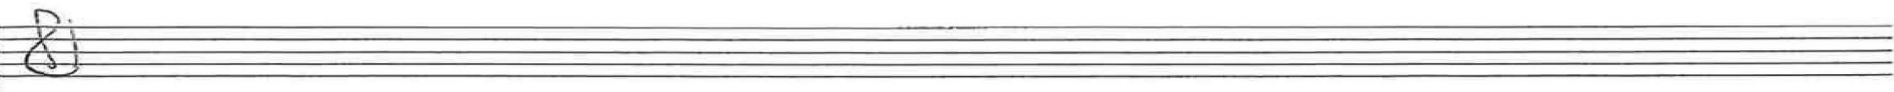

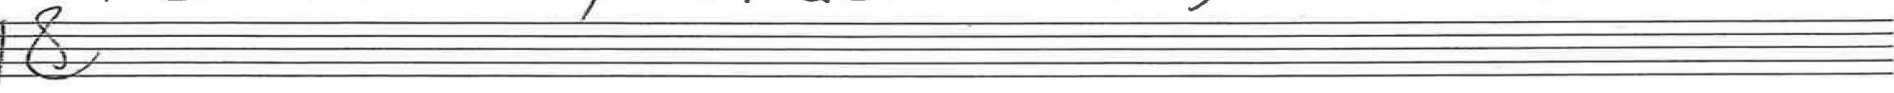

that a-gent you chose to pre-side.

We'll call on your name for re-proof.

Round us up un-der-neath your roof.
